That whisky frolic did its not feeling well—my heart is affected, fatal work. Habit fastened chains I think-and I may drop off any day. about your spirit, and now helpless It wouldn't do, of course, for me to you wander, having lost faith in your-It has made you become the butt and fag of forces you cannot control.

The snake-like eye of rum holds you as a charmed bird, and you trenible will go beyond \$300. When it reaches before those open, pititess jaws. You \$300 you sell. That will give you \$60, have lost position after position, and 000, which will be a nice stocking for society casts you off. A loafer, a tramp, a rainy day. No thanks, pray. Spare a nuisance you are, a festering carbuncle on the body politic. Perhaps you my child."

What the good man anticipated folspeech bespoke a brilliant future; or lowed. The favorite gambler reperhaps a promising merchant's clerk, ceived the "point" from the treacherwith brightenining prospects; or per- ous Annie, under strict promise of haps a preacher, whose eloquence secrecy, of course, and every dollar stirred multitudes; but to-day you are a ragged, unkept, bloated, palsy-stricken sot. What did it? Wild oats! wild oats! be could raise by pawning, borrowing and begging went into Ophir. So did the last dime of every friend the gambler had—for nobody has ever yet

Who would have believed that hopeful youth could ever have come to such manhood, or high manhood sink been able to keep a point all to himself. Then Senator Sharon fell upon the enemy. He danced upon Ophir; In my memory I see many familiar college-mate faces, young men who have liked to do the gambler had he

started life with me-a gay regatta, dared. At the end of a few days, spreading sail under the morning light when Ophir sold for \$3, the basely deof life. Life has scarcely reached its ceived benefactor of a faithless moon, but the sails are few that whiten male rested from his labors and in its beams. The rest were caught in a cyclone, blown from their own excesses, and sunk. Oh! my young countryman, catch

Oh! my young countryman, catch the inspiring light gleaming from the hill tops of the future, and move forward to make your life a beneficut charitably offered him a dollar to get contribution to your country, and a his dinner. blessing to home.

Woe to the Drunkard-Maker. Not only the words of the prophet, "Woe unto him that giveth his neigh-bor drink," but the words of Christ when he said, "Whoso shall offend (cause to commit offense) one of these ittle ones, that believe in me, it were better for him that a mill stone were langed about his neck, and that he were drowned in the depths of the sea." To entice youth from every home is of his supporters-immediately after his election-his opinion that Ophir one of the supreme efforts of the liquor was sure to go up. The whole Legis-lature immediately invested heavily in Ophir. But that seductive stock, vender of our day. It is true of the so called respectable dealers, that they are sinners, even above the drunkards. They are the men who know better. They are the men who sin against the whole light of plain duty, especially if he be an intelligent American citizen about that, owing to this happy incitrained in the church; such a man dent, Mr. Sharon's election did no takes pains not to know or think what ruin he is bringing on souls, on society. Let Christian society regard him as worthy only of reprobation.—Rev. Dr. Barrows, Chicago.

The Ruling Passion to the Last. A poor little newsboy, while attempt ng to jump from a city car, the other afternoon, fell beneath the car, and was fearfully mangled. As soon as the child could speak, he called piteously for his mother, and a messenger was at once sent to bring her to him. When the bereaved mother arrived, she hung over the dying boy in an agony of grief. "Mother," whispered he, with a painful effort, "I sold four newspapers, and the money is in my pocket." the hand of Death upon his brow, the last thought of the suffering child was for the poor, hard-working mother, whose burdens he was striv-ing to lighten when he lost his life.

An unselfish worker who by all wise nethods had been endeavoring to hope to save life was amputation. build up the temperance reform in a was asked one day by some one of rather coarse clay, "Have you suffered in your own family, that you feel so in your own family, that you feel so deeply on this question?" Thus questioned, she replied, "Few have been thirty-six bottles, and the shadows which had darkened my life for twenty-eight years have all been dissipated. The effect of the medicine pated. The effect of the medicine pated. The effect of the medicine pated. The effect of the medicine pated and steady gains give as yet.

The steamer James W. Gaff, which Still he studied, lived in great poversy, but keeping up a cheerful heart, and trying not to look at the future, which so grimly looked at him. His good humor and good qualities made him beloved by his young companititle man decided that his mail mathematical process of the box, and so went her passengers a little group of three, which a father, son, and daughter, who can boast of a real adventure. The gentieman was a Mr. Carson, living at ions.

the corner of Mount Vernon avenue and Twentieth street, Columbus, Ohio, and he was accompanied by his two children, aged 9 and 13 respectively. Some time in February, 1885, the two children were sent to the butcher's, some four squares distant from home, and never returned. The police made dilligent search, but to no purpose. A wandering band of gipsies, who had been encamped in the outskirts of the city, and who left the same morning, were suspected of being the kidnappers, and the father, accompanied by a survey oung, elegant lady, who, at the side of an elderly one, walk-led slowly over the place. It was the daughter of the Governor of Upsala, living in the city, and the lady was her governess. She was generally known for her goodness and gentleness of character, and was looked upon with admiration by the students. As the pers, and the father, accompanied by a young men now stood gazing at her, as pers, and the father, accompanied by a private detective, followed in search of the abductors. The band had gone South, and thither the pursuers followed in were hot thing to have a kiss from such a

lowed. Time and again they were hot thing to have a kiss from such a on their trail, only; to loose it again. mouth!" on their trail, only to loose it again. Finally Mr. Carson sent the detective home and continued his weary and apparently fruitless search alone, Finally, on June 26, while at Nashville, The poor student, the hero of our story, who was looking intently on that pure, angelic face, exclaimed, as if by he learned that a portion of the band

"Well, I think I could have it."
"What!" cried his friends in

departed for that place, and on July 1 he entered their camp. Almost the first person he saw was his boy, engaged in gathering firewood. The little fellow, when he saw his father, dropped everything and ran sobbing into his arms. His captors were inclined to offer resistance to the introder but a offer resistance to the intruder, but a few emphatic words and the display of "In this place, before your eyes."

"Well, if she will give you a kiss in that manner I will give you \$1,000!" exclaimed one of the party. "And I!" "And I!" cried three or find the band and his daughter, who were then camped at La Grange, Tenn., close to the Mississippi line. The now overjoyed lather left at once for that four others; for it so happened that several rich young men were in the point, and, on the 4th found his little group. Bets ran high on so improbagirl, sadly changed. The gipsics had darkened her skin and dyed her hair, letting it hang long and straight. A scar had also been branded on her neck, and in fact, many things had been done to destroy her identity. ble an event, and the challenge was made and accepted in less time than we take to relate it. whether he is handsome or plain; I have my peculiar ideas for believing Here Mr. Carson met with resistance, being driven out of the camp, but he returned with the marshal of La Grange, and the little girl was at once lady and said:

given up. Mrs Carson went on to "Mein fraulien, my fortune is in your Memphis, where, having telegraphed hands." the news home, he took passage on the She looked at him in astonishment, Gaff. stock before buying elsewhere. It costs nothing to look at our work. We will make it to your interest to buy of B. F. HARDIN & CO.

The Clarksville Wagon Co. Reduces its Prices.

We have on hand a large stock of superior Wagons of all the various sizes, and made of the very best materials, which we now offer at a reduction of \$10.00 to \$15 00 per Wagon, according to size, below our previous prices. The TIMBER used in our Its Grand Single Number Braw Wagons has been seasoning under our sheds A SPLENDIN OFFICE FIGHTH from 3 to 5 years and is of the very best.

Every Wagon Warranted.

All who need Wagons would do well to see and price our stock before buying.
